**Minimum Distribution Information**

I understand that if I am age 70 1/2 or older, the distributing provider is required to process the Required Minimum Distribution before these funds are rolled over to Prudential. I further understand that I need to direct the prior provider to distribute my Required Minimum Distribution prior to processing this rollover.

**Disclosures**

If your transaction includes **after-tax dollars and/or Roth contributions**, your current provider or custodian needs to provide the amount of the **after-tax dollars and/or Roth contributions** along with the check, otherwise the entire amount will be applied as before-tax. Not all plans accept rollovers/transfers of **after-tax and/or Roth**. \*For Roth rollover contributions, a letter from the prior plan's administrator that provides (1) the amount of Roth contributions (basis) being rolled over, and (2) your "Roth Start Date."

The law requires that any withdrawals made of after tax monies from a retirement plan must have a proportionate amount of earnings attached to them. This means that if you happen to have after tax contributions that were made to your account in 1986 or before, you can take a withdrawal at a future date of just the principal amount and you will not be required to include earnings. Any after tax contributions made after that date you will be required to take a proportionate amount of earnings. Your prior record keeper should have been tracking your pre-1987 and post-1986 after tax contributions.

Please note: If Prudential does not receive the breakdown of your pre-1987 and post 1986 after tax contributions, the monies will be deposited as post 1986 after tax monies and will have a proportionate amount of earnings attached to them for any future withdrawals until such time as you provide documentation to prove otherwise. If Prudential does not receive your Roth start date or year, we will default it to current day.

**Your Authorization**

I, the Plan participant, certify that all information on this form is accurate. I also certify that this transaction was distributed from a plan intended to satisfy the requirements of I.R.C. § 401(a), 403(a), 403(b), 457 (governmental only), or an IRA established pursuant to IRC § 408 and, which to the best of my knowledge, does satisfy them.

I additionally certify that this distribution can be rolled over into my account with Prudential because it:

- 1) is not one of a series of substantially equal periodic payments (not less frequently than annually) distributed over my life or life expectancy (or the joint lives [or joint life expectancies] of me and my beneficiary) or over a period equal to or greater than 10 years,
- 2) was received by me not more than 60 days before the date of the rollover to the Plan,
- 3) would be includible in gross income if not rolled over in its entirety, unless after-tax or Roth contributions, which have been previously taxed.
- 4) does not represent a Required Minimum Distribution, a hardship distribution, or a corrective distribution (for example: corrections of elective deferrals or elective contributions, etc.), and
- 5) was distributed to me as an employee (not as a beneficiary) or as a surviving spouse.
